

8301 Isle Avenue South
Cottage Grove, Minnesota 55016
November 9, 1972

Fellow Amateur Astronomer,

You have indicated an interest in astronomy and a willingness to help form an amateur astronomy club in the Twin Cities area. A meeting to organize such a club will be held as follows:

Date: Tuesday, November 21, 1972
Time: 7:00 p.m.
Place: Minnesota Arts and Science Center
30 East 10th Street
St. Paul
(ask the security guard for directions to
the Tozer classroom)

Among the details to be decided are:

What will the club be?
When and where will meetings be held?
What kind of dues structure will be required?
Who will operate the club (officers)?

Feel free to bring your friends who are interested in astronomy. Be prepared to express your interests and to let us know what you want out of an astronomy club. The idea is to organize a group to meet the needs of the amateur astronomers in the Twin Cities area.

If you have any questions, feel free to call me.

Yours truly,

James H. Fox
